09 Early years practice procedures

09.1 Waiting list and admissions

We aim to ensure that all sections of the community receive accessible information, and that our admissions procedures are fair, clear and open to all parents who apply for a place.

- The setting is advertised in places accessible to all sections of the community.
- Information about the setting is accessible, using plain English, in written and spoken form and, where appropriate, can be provided in different community languages and in other formats on request.
- Children with disabilities are supported to take full part in all activities within the setting and the setting makes reasonable adjustments to ensure that this will be the case from the time the child is placed on the waiting list.
- The waiting list takes into account the following:
 - the age of the child with priority being given to children eligible for the free entitlement
 - length of time on the waiting list
 - Attending the SEND Tots group regularly
 - siblings already attending the setting
 - Availability of keypersons
 - the capacity of the setting to meet the individual needs of the child
- Funded places are offered in accordance with the Early Years Entitlements: Operational Guidance for local authorities and providers (DfE) and any local conditions in place at the time,
- Where it is financially viable to do so, a place is kept vacant for an emergency admission.
- The setting and its practices are welcoming and make it clear that fathers, mothers, other relations and carers and childminders are all welcome.
- The setting and its practices operate in a way that encourages positive regard for and understanding of difference and ability, whether gender, family structure, class, background, religion, ethnicity or competence in spoken English.

- The needs and individual circumstances of children joining the setting are monitored on the child's registration form, to ensure that no accidental or unintentional discrimination is taking place and that reasonable adjustments are made as required.
- Section 05 Equality procedures is shared and widely promoted to all

Admissions

- Once an early education and childcare place has been offered the relevant paperwork is completed by the Nursery Coordinator and deputy before the child starts and filed on the child's personal file. Forms completed include:
 - Privacy Notice - explains what personal data we collect, why we collect it, how we use it, the control parent/carers have over their personal data and the procedures we have in place to protect it.
 - Early education and childcare terms and conditions - govern the basis by which we provide early education and childcare.
 - Early education and childcare registration form - contains personal information about the child and family that must be completed in full prior to the child commencing.

Children with SEND

- The Nursery Coordinator/Deputy Coordinator must seek to determine an accurate assessment of a child's needs at registration. If the child has a SEND need then an application for SEN inclusion funding will be applied for.
- Children with identified SEND must be offered a place when one becomes available as with any other child. However, the start date for children with more complex SEND will be determined by the preparations made to ensure the child's safety, well-being and accessibility in the setting. If a child's needs determine that adjustments need to be made, the Nursery Coordinator/Deputy Coordinator must outline a realistic timeframe for completion, detailing the nature of adjustments e.g. risk assessment, staff training, health care plan and all other adjustments required. The child's safety at all times is paramount.
- At the time of registration, the Nursery Coordinator/Deputy Coordinator must check to see if a child's family is in receipt of Disability Living Allowance, if so, the Nursery Coordinator/Deputy Coordinator must ask for evidence to enable them to claim the Disability Access Fund directly from the local authority. If the family is eligible but not in receipt of the allowance, the setting manager will support the family in their application. More information can be found at www.gov.uk/disability-living-allowance-children/how-to-claim.
- Preparation for admitting a child with SEND must be made in a reasonable amount of time and any delay in the child starting is scrutinised by the Nursery Coordinator to avoid discrimination and negative impact on the child and family. During a preparation period the family and relevant agencies and the local authority must be regularly updated on the progress of the preparations.

Safeguarding/child protection

If information is provided by the parents/carers that a child who is starting at the setting is currently, or was involved with social care, the designated safeguarding lead will contact the agency to seek further clarification.

Parents/carers are advised on how to access the setting's policies and procedures.
